**PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 16, 2019**

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cornerstone Strategic Value Fund, Inc., a Maryland corporation (the "Fund") for use at the Annual Meeting of Stockholders for the year 2019 (the "Meeting") to be held 11:30 a.m., Eastern Time, on April 16, 2019 at the First Floor Conference Room, 1075 Hendersonville Rd., Asheville, NC 28803, and at any and all adjournments and postponements thereof. A form of proxy is enclosed herewith. This Proxy Statement and the accompanying form of proxy are being first mailed to stockholders of the Fund ("Stockholder(s)") on or about March 1, 2019.

Any Stockholder who executes and delivers a proxy may revoke it by written communication to the Secretary of the Fund at any time prior to its use or by voting in person at the Meeting. Attendance by a Stockholder at the Meeting does not, in itself, revoke a proxy. Unrevoked proxies will be voted in accordance with the specifications thereon and, unless specified to the contrary, will be voted FOR the election of Messrs. Andrew A. Strauss and Glenn W. Wilcox, Sr. as nominees for Class III Director and FOR the approval of a new investment management agreement with Cornerstone Advisors Asset Management LLC.

In general, abstentions and broker non-votes, as defined below, count for purposes of obtaining a quorum but do not count as votes cast with respect to any proposal requiring that the broker has discretion. With respect to a proposal requiring the affirmative vote of a majority of the Fund's outstanding shares of common stock, the effect of abstentions and broker non-votes is the same as a vote against such proposal. Otherwise, abstentions and broker non-votes have no effect on the outcome of a proposal. A broker non-vote is a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary voting power.

At least a majority of the Fund's Stockholders must be present at the Meeting in person or by proxy to constitute a quorum for the transaction of business by the Fund. In the event that a quorum is not present at the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting from time to time. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. The persons named as proxies will vote those proxies which they are entitled to vote FOR or AGAINST any such proposal in their discretion.

Your vote is being solicited by the directors of the Fund. The cost of soliciting these proxies will be borne by the adviser to the Fund by reimbursing the Fund for solicitation costs. The Fund will reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute proxies.

The directors and officers of the Fund, Ultimus Fund Solutions, LLC, the administrator to the Fund (the "Administrator"), and AST Fund Solutions, LLC may be involved in the solicitation of proxies. The Fund does not reimburse such persons for the solicitation of proxies.

The Fund expects that the solicitation will be primarily by mail, but also may include telephone, electronic, oral or other means of communication. If the Fund does not receive your proxy by a certain time, you may receive a telephone call from a proxy soliciting agent asking you to vote.

Only holders of issued and outstanding shares of the Fund's common stock of record at the close of business on February 19, 2019 are entitled to notice of, and to vote at, the Meeting. Each such holder is entitled to one vote per share of common stock so held. The number of shares of common stock outstanding on February 19, 2019 was 72,812,780. The Fund is a diversified, closed-end management investment company.

Copies of the Fund's most recent annual and semi-annual report may be ordered free of charge to any Stockholder by writing to the Fund, c/o Ultimus Fund Solutions, LLC, 225 Pictoria Drive, Suite 450, Cincinnati, OH 45246, or by calling (866) 668-6558. This report is not to be regarded as proxy-soliciting material.

This Proxy Statement is first being mailed to Stockholders on or about March 1, 2019.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

In accordance with the Fund's By-laws, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. Each class has a term of three years and each year the term of office of one class expires. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

At the Meeting, Stockholders will be asked to elect two Class III Directors to hold office until the year 2022 Annual Meeting of Stockholders or thereafter until each of their respective successors is duly elected and qualified. The term of office of the Class III Directors, currently consisting of Mr. Andrew A. Strauss and Mr. Glenn W. Wilcox, Sr., will expire at the year 2022 Annual Meeting or thereafter until his respective successor is duly elected and qualified. If elected, each nominee has consented to serve as a Director of the Fund until his successor is duly elected and qualified. Each nominee was considered and recommended by the Fund's Nominating and Corporate Governance Committee.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to vote) FOR the election of each nominee. Each nominee has indicated that he will serve if elected, and the Board of Directors has no reason to believe that either nominee named above will become unavailable for election as a director, but if any nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named in the proxy in accordance with their judgment.

* As of December 31, 2018, the Fund Complex was comprised of the Fund and Cornerstone Total Return Fund, Inc. both of which are managed by Cornerstone Advisors, Inc. (the "Investment Adviser"). Each of the above Directors oversees both of the Funds in the Fund Complex.

The Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of the Board's effectiveness. The Board determined that each of the Directors is qualified to serve as a Director of the Fund based on a review of the experience, qualifications, attributes and skills of each Director. In reaching this determination, the Board has considered a variety of criteria, including, among other things: character and integrity; ability to review critically, evaluate, question and discuss information provided, to exercise effective business judgment in protecting stockholder interests and to interact effectively with the other Directors, the Investment Adviser, other service providers, counsel and the independent registered accounting firm ("independent auditors"); and willingness and ability to commit the time necessary to perform the duties of a Director. Each Director's ability to perform his duties effectively is evidenced by his experience or achievements in the following areas: management or board experience in the investment management industry or companies or organizations in other fields, educational background and professional training; and experience as a Director of the Fund. In addition, the Board values the diverse skill sets and experiences that each Director contributes. The Board considers that its diversity as a whole is as a result of a combination of Directors who are working in the private, as opposed to public, sector, those that are retired from professional work and the various perspectives that each Director provides as a result of his present experiences and his background. Information as of December 31, 2018 discussing the specific experience, skills, attributes and qualifications of each Director which led to the Board's determination that the Director should serve in this capacity is provided below.

RALPH W. BRADSHAW. Mr. Bradshaw is co-founder of Cornerstone Advisors, Inc. (the "Investment Adviser") and has served as its President since its inception in 2001. The Board values his strong moral character and integrity.

He is the former chairman of the governing board of George Mason University in Virginia and serves on the board of several civic and educational organizations. Mr. Rogers has demonstrated a willingness to commit the time necessary to serve as an effective Director. The Board values his strong moral character and integrity.

Specific details regarding each Director's principal occupations during the past five years are included in the table above. The summaries set forth above as to the experience, qualifications, attributes and/or skills of the Directors do not constitute holding out the Board or any Director as having any special expertise or experience, and do not impose any greater responsibility or liability on any such person or on the Board as a whole than would otherwise be the case.

Director Transactions with Fund Affiliates. As of December 31, 2018, neither the Independent Directors nor members of their immediate family owned securities beneficially or of record in Cornerstone Advisors, Inc., or an affiliate of Cornerstone Advisors, Inc. Furthermore, over the past five years, neither the Independent Directors nor members of their immediate family have any direct or indirect interest, the value of which exceeds \$120,000, in Cornerstone Advisors, Inc. or any of its affiliates. In addition, since the beginning of the last two fiscal years, neither the Independent Directors nor members of their immediate family have conducted any transactions (or series of transactions) or maintained any direct or indirect relationship in which the amount involved exceeds \$120,000 and to which Cornerstone Advisors, Inc. or any affiliate thereof was a party.

BOARD COMPOSITION AND LEADERSHIP STRUCTURE

The Board consists of seven individuals, one of whom is an Interested Director. The Chairman of the Board, Mr. Bradshaw, is the Interested Director and is the President of the Fund, the President of the Investment Adviser, and is the President and a director of Cornerstone Total Return Fund, Inc. and, until its merger with and into the Fund, Cornerstone Progressive Return Fund, respectively. The Board does not have a lead independent director.

The Board believes that its structure facilitates the orderly and efficient flow of information to the Directors from the Investment Adviser and other service providers with respect to services provided to the Fund, potential conflicts of interest that could arise from these relationships and other risks that the Fund may face. The Board further believes that its structure allows all of the Directors to participate in the full range of the Board's oversight responsibilities. The Board believes that the orderly and efficient flow of information and the ability to bring each Director's talents to bear in overseeing the Fund's operations is important, in light of the size and complexity of the Fund and the risks that the Fund faces. The Board and its committees review their structure regularly, to help ensure that it remains appropriate as the business and operations of the Fund and the environment in which the Fund operates changes.

Currently, the Board has an Audit Committee and a Nominating and Corporate Governance Committee. The responsibilities of each committee and its members are described below. Each of the Directors attended at least seventy-five (75%) percent of the four (4) meetings of the Board of Directors (including regularly scheduled and special meetings) held during the period for which he was a member. Each director attended all four (4) meetings of its committees (including regularly scheduled and special meetings) held during the period for which he was a member. The Board does not have a policy regarding Directors' attendance at the Annual Stockholders Meeting, but all are invited to attend.

THE AUDIT COMMITTEE

The Fund has a standing Audit Committee (the "Audit Committee"), which is comprised of Messrs. Dean, Meese III, Morris, Rogers, Strauss, and Wilcox, Sr., all of whom are Directors who are not interested persons of the Fund, as such term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended. The Audit Committee has a written charter. The principal functions of the Audit Committee include but are not limited to, (i) the oversight of the accounting and financial reporting processes of the Fund and its internal control over financial reporting; (ii) the oversight of the quality and integrity of the Fund's financial statements and the independent audit thereof; and (iii) the approval, prior to the engagement of, the Fund's independent registered public accounting firm and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent registered public accounting firm. The Audit Committee convened four (4) times during the 2018 calendar year.

The Audit Committee currently does not have an Audit Committee Financial Expert, as such term is defined in Section 407 of the Sarbanes-Oxley Act of 2002. Rather, the Audit Committee members believe that each of their individual experiences provide the Audit Committee with sufficient experience and expertise to allow them to perform their duties as members of the Audit Committee.

The responsibilities of the Audit Committee, as approved by the Directors, are set forth in the Audit Committee Charter, a copy of which is available on the Fund's website at http://www.cornerstonestrategicvaluefund.com/Data/Sites/21/media/docs/Audit_Charter.pdf, under the section "Corporate Governance – Audit Committee Charter."

THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Fund has a standing Nominating and Corporate Governance Committee (the "N&CG Committee"), which is comprised of Messrs. Dean, Meese III, Morris, Rogers, Strauss, and Wilcox, Sr., all of whom are Directors who are not interested persons of the Fund, as such term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended. The N&CG Committee has a written charter. In addition to its responsibility to oversee the corporate governance of the Fund, the N&CG Committee is appointed to identify and select qualified candidates that have exhibited strong decision making ability, substantial business experience, relevant knowledge of the investment company industry (including closed-end funds), skills or technological expertise and exemplary personal integrity and reputation. In addition, the N&CG Committee seeks candidates that have experience and knowledge involving all of the service providers of a registered investment company.

The N&CG Committee will consider all nominees recommended by Stockholders of the Fund, so long as Stockholders send their recommendations in writing to the Secretary of the Fund in a manner consistent with the Fund's By-laws. The N&CG Committee will seek candidates for the Board that have exhibited strong decision-making ability, substantial business experience, relevant knowledge, skills or technological expertise, and exemplary personal integrity and reputation. Specifically, the N&CG

Committee assesses all director nominees taking into account several factors, including, but not limited to, issues such as the current needs of the Board and the nominee's: (i) integrity, honesty, and accountability; (ii) successful leadership experience and strong business acumen; (iii) forward-looking, strategic focus; (iv) collegiality; (v) independence and absence of conflicts of interests; and (vi) ability to devote necessary time to meet director responsibilities. The N&CG Committee does not have a policy with regard to considering diversity when identifying candidates for election, but would expect to consider race, gender and professional experience diversity when identifying future candidates. The N&CG Committee will ultimately recommend nominees that it believes will enhance the Board's ability to oversee, in an effective manner, the affairs and business of the Fund. The N&CG Committee will consider and evaluate Stockholder-recommended candidates by applying the same criteria used to evaluate director-recommended candidates. The deadline for submitting a Stockholder proposal for inclusion in the Fund's proxy statement and proxy for the Fund's 2020 annual meeting of stockholders pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, is November 1, 2019. Stockholders wishing to submit proposals or director nominations that are to be included in such proxy statement and proxy must deliver notice to the Secretary at the principal executive offices of the Fund no later than the close of business on November 1, 2019. Stockholders are also advised to review the Fund's By-laws, which contain additional requirements with respect to advance notice of Stockholder proposals and director nominations.

In 2019, the N&CG Committee met and discussed the nomination of the Class III Directors of the Fund for the 2019 Annual Meeting of Stockholders. The Nominees were recommended by the N&CG Committee, comprised of the non-interested Directors. The N&CG Committee convened four (4) times during the 2018 calendar year.

The responsibilities of the N&CG Committee, as approved by the Directors, are set forth in the N&CG Committee Charter, a copy of which is available on the Fund's website at: http://www.cornerstonestrategicvaluefund.com/Data/Sites/21/media/docs/Nominating_Charter.pdf, under the section "Corporate Governance - Nominating and Corporate Governance Committee Charter."

BOARD'S ROLE IN RISK OVERSIGHT OF THE FUND

The Board oversees risk management for the Fund directly and, as to certain matters, through its Audit and Nominating and Corporate Governance Committees. The Board exercises its oversight in this regard primarily through requesting and receiving reports from and otherwise working with the Fund's senior officers (including the Fund's Chief Compliance Officer), portfolio management personnel of the Investment Adviser, the Fund's independent auditors, legal counsel and personnel from the Fund's other service providers. The Board has adopted, on behalf of the Fund, and periodically reviews with the assistance of Fund personnel, policies and procedures designed to address certain risks associated with the Fund's activities. In addition, the Investment Adviser and the Fund's other service providers have also adopted policies, processes and procedures designed to identify, assess and manage certain risks associated with the Fund's activities, and the Board receives reports from service providers with respect to the operation of these policies, processes and procedures as required and/or as the Board deems appropriate. The Board does not believe that a separate Risk Oversight Committee is necessary for effective risk oversight at this time, but intends to continuously evaluate how it assesses risk and consider whether any changes to the current structure are prudent.

REQUIRED VOTE

Directors are elected by a plurality of the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. For purposes of the election of Directors, abstentions and broker non-votes will be counted as shares present for quorum purposes, may be considered votes cast, and may affect the plurality vote required for Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF MESSRS. ANDREW A. STRAUSS AND GLENN W. WILCOX, SR. AS CLASS III DIRECTORS OF THE FUND.

PROPOSAL 2 — TO APPROVE A NEW INVESTMENT MANAGEMENT AGREEMENT WITH CORNERSTONE ADVISORS ASSET MANAGEMENT LLC

Introduction

You are being asked to approve a new investment management agreement (the “New Management Agreement”) between the Fund and Cornerstone Advisors Asset Management LLC (the “New Investment Adviser”). Under the Fund’s current investment management agreement with Cornerstone Advisors, Inc. (the “Current Adviser”) (the “Current Management Agreement”), the Current Adviser carries out the investment and reinvestment of the assets of the Fund, continuously furnishes an investment program with respect to the Fund, determines which securities should be purchased, sold or exchanged, and implements such determinations.

The Current Adviser has acted as the Fund’s Investment Adviser since 2001, and has its principal office at 1075 Hendersonville Road, Suite 250, Asheville, NC 28803. The Current Adviser was organized in February 2001, to provide investment management services to closed-end investment companies and is registered with the U.S. Securities and Exchange Commission (“SEC”) under the Investment Advisers Act of 1940, as amended. The Current Adviser is the investment adviser to one other closed-end fund, Cornerstone Total Return Fund, Inc. Messrs. Ralph W. Bradshaw and Gary A. Bentz are the only stockholders of the Current Adviser.

Mr. Bentz, one of the two owners of the Current Adviser, has indicated that he is considering different options with respect to his future endeavors and, if the New Management Agreement is approved by the Fund’s stockholders and the Reorganization (as defined in the paragraph below) is completed, Mr. Bentz would prefer to provide non-advisory consulting services on an as-needed basis to the New Investment Adviser and devote the bulk of his time to other ventures. The Reorganization (as defined in the paragraph below) would allow for Mr. Bentz’s transition to a non-advisory consulting role while also creating a new entity (the New Investment Adviser) that can employ the same portfolio managers and other personnel that are currently employed by the Current Adviser in connection with the investment advisory services it provides the Fund.

At a meeting held on Friday, February 8, 2019, the Board of Directors of the Fund, including all of the independent directors who are not “interested” persons as such term is defined in the Investment Company Act of 1940, as amended (the “1940 Act”) (the “Independent Directors”), approved the New Management Agreement to be entered into between the Fund and the New Investment Adviser. The Independent Directors’ considerations are set forth below. The New Investment Adviser is owned by the Cornerstone Trust, a trust established on January 29, 2019. The trustees of the Cornerstone Trust include, but are not limited to, Messrs. Ralph W. Bradshaw, Joshua G. Bradshaw and Daniel W. Bradshaw. It is anticipated that the New Investment Adviser’s name will be changed to Cornerstone Advisors LLC upon completion of the reorganization described above (the “Reorganization”). It is anticipated that the Reorganization will be completed in 2019. Subject to stockholder approval of the New Management Agreement, the New Investment Adviser will become the Fund’s investment adviser upon completion of the Reorganization.

The Reorganization is being considered as a change of control of the Current Adviser and therefore would constitute an “assignment” (as defined in the 1940 Act) of the Fund’s Current Management Agreement. As required by the 1940 Act, the Current Management Agreement provides for its automatic termination in the event of an assignment. Accordingly, the Current Management Agreement will terminate upon the completion of the Reorganization. You are being asked to approve the New Management Agreement to enable the New Investment Adviser to manage the Fund following the completion of the Reorganization. The New Investment Adviser’s registration as an investment adviser must be declared effective by the SEC prior to the completion of the Reorganization. If stockholders approve the New Management Agreement prior to the effective date of the New Investment Adviser’s registration as an investment adviser, the Current Management Agreement will continue to be in effect until the New Management Agreement becomes effective upon the completion of the Reorganization. In the event that the New Management Agreement is not approved by stockholders or the Reorganization is not completed, the Current Adviser will continue to serve as investment adviser of the Fund pursuant to the terms of the Current Management Agreement.

There will be no increase in management fees as a result of the New Management Agreement for the Fund. The New Investment Adviser is in agreement with and committed to the ongoing distribution policy carried out by the Fund under the direction of the Board of Directors. The Reorganization is not expected to have a material adverse impact on the nature, extent, or quality of the services provided by the New Investment Adviser to the Fund, although there can be no assurances that the New Investment Adviser will not be affected by the Reorganization.

The Reorganization

Messrs. Ralph W. Bradshaw and Gary A. Bentz are the only stockholders of Cornerstone Advisors, Inc. Mr. Ralph W. Bradshaw is President and Chairman of the Board of Directors of the Fund. Mr. Gary A. Bentz is Assistant Treasurer of the Fund. After the completion of the Reorganization, Messrs. Ralph W. Bradshaw, Joshua G. Bradshaw and Daniel W. Bradshaw will continue to be the Fund's portfolio managers and officers of the Fund. Mr. Bentz will become a consultant on non-advisory matters only to the New Investment Adviser.

Impact of the New Investment Adviser on the Fund

The Reorganization will not result in any material changes in the manner in which the New Investment Adviser provides investment management services to the Fund or the personnel providing services to the Fund. The New Investment Adviser will remain based in Asheville, North Carolina. The New Investment Adviser will continue to carry out the investment and reinvestment of the assets of the Fund, continuously furnish an investment program with respect to the Fund, determine which securities should be purchased, sold or exchanged, and implement such determinations. No major changes to the New Investment Adviser's executive management, investment management, administration, compliance, and other personnel are anticipated as a direct result of the Reorganization. Similarly, no changes to the Fund's portfolio managers are anticipated as a direct result of the Reorganization.

Information Concerning the Parties to the Reorganization

The Adviser. The Current Adviser is located at 1075 Hendersonville Road, Suite 250, Asheville, North Carolina 28803. The Current Adviser began conducting business in February 2001 and manages one other closed-end fund with combined total assets with the Fund, of approximately \$1,157.1 million, as of December 31, 2018. The New Investment Adviser was organized on January 29, 2019.

Comparison of New Management Agreement with Current Management Agreement

A form of the proposed New Management Agreement is attached hereto as Exhibit A. The terms of the New Management Agreement are substantially identical to the terms of the Current Management Agreement, except for the dates of execution and effectiveness. The stated management fees to be paid by the Fund are identical under the Current Management Agreement and the New Management Agreement. The material terms of the New Management Agreement are discussed below. For purposes of the discussion below the term "adviser" refers to the Current Adviser and the New Investment Adviser.

Investment Management Services. Each of the Current Management Agreement and the New Management Agreement provides that, subject to the supervision of the Fund's Board, the adviser regularly provides the Fund with investment research, advice, management and supervision, and furnishes a continuous investment program for the Fund's portfolio of securities and other investments consistent with the Fund's investment objectives, policies and restrictions. The adviser determines what securities and other investments will be purchased, retained or sold by the Fund and implements those decisions, all subject to the provisions of the Fund's governing documents, the 1940 Act and any specific policies adopted by the Fund's Board and disclosed to the adviser.

Under each of the Current Management Agreement and the New Management Agreement, the adviser is authorized, for the purchase and sale of the Fund's portfolio services, to employ such dealers and brokers as may, in the judgment of the adviser, implement the policy of the Fund to obtain the best results taking into account such factors as price, including dealer spread, the size, type and difficulty of the transaction involved, the firm's general execution and operational facilities and the firm's risk in positioning the securities involved. Consistent with this policy, the adviser is authorized to direct the execution of the Fund's portfolio transactions to dealers and brokers furnishing statistical information or research deemed by the adviser to be useful or valuable to the performance of its investment advisory functions for the Fund. It is understood that in these circumstances, as contemplated by Section 28(e) of the Securities Exchange Act of 1934, the commissions paid may be higher than those that the Fund might otherwise have paid to another broker if those services had not been provided. Information so received will be in addition to and not in lieu of the services required to be performed by the adviser. It is understood that the expenses of the adviser will not necessarily be reduced as a result of the receipt of such information or research. Research services furnished to the adviser by brokers who effect securities transactions for the Fund may be used by the adviser in servicing other investment companies and accounts that it manages. Similarly, research services furnished to the adviser by brokers who effect securities transactions for other investment companies and accounts that the adviser manages may be used by the adviser in servicing the Fund. It is understood that not all of these research services are used by the adviser in managing any particular account, including the Fund.

Each of the Current Management Agreement and the New Management Agreement provides that the adviser will also advise the Fund with respect to all matters relating to the Fund's use of leveraging techniques, monitor the performance of the Fund's outside service providers, including the Fund's administrator, transfer agent and custodian, be responsible for compliance by the Fund with U.S. federal, state and other applicable laws and regulations, and pay the salaries, fees and expenses of such of the Fund's directors, officers or employees who are directors, officers or employees of the adviser or any of its affiliates, except that the Fund will bear travel expenses or an appropriate portion thereof of directors and officers of the Fund who are directors, officers or employees of the adviser, to the extent that such expenses relate to attendance at meetings of the Board of Directors or any committees thereof. The adviser may delegate any of the foregoing responsibilities to a third party with the consent of the Board of Directors.

Each of the Current Management Agreement and the New Management Agreement provides that the adviser shall not be deemed to have assumed or have responsibility for any functions specifically assumed by any administrator, transfer agent, fund accounting agent, custodian, stockholder servicing agent or other agent employed by the Fund to perform such functions.

Fees. As noted above, the stated management fees to be paid by the Fund and the method of calculation are identical under the Current Management Agreement and the New Management Agreement. The adviser is entitled to receive a monthly fee at the annual rate of 1.00% of the Fund's average weekly net assets.

Payment of Expenses. Each of the Current Management Agreement and the New Management Agreement requires the adviser to furnish all necessary services, facilities and personnel in connection with the performance of its services under the agreement, and states that, except as specifically indicated therein, the adviser is not responsible for any of the Fund's ordinary or extraordinary expenses. Each of the Current Management Agreement and the New Management Agreement states that the adviser will pay or reimburse the Fund for compensation paid to the Directors who are affiliated persons of the adviser and officers of the Fund as such, except as the Board may decide.

Potential Conflicts of Interest. The Fund has adopted procedures under Rule 17a-7 of the 1940 Act to permit purchase and sales transactions to be effected between the Fund and other accounts that are managed by the adviser. The Fund may from time to time engage in such transactions in accordance with these procedures.

Each of the Current Management Agreement and the New Management Agreement also provides that securities considered as investments for the Fund may also be appropriate for other investment accounts managed by the adviser or its affiliates. Whenever decisions are made to buy or sell securities by the Fund and one or more of such other accounts simultaneously, the adviser will allocate the security transactions (including "hot" issues) in a manner which it believes to be equitable under the circumstances. As a result of such allocations, there may be instances where the Fund will not participate in a transaction that is allocated among other accounts. If an aggregated order cannot be filled completely, allocations will generally be made on a pro rata basis. An order may not be allocated on a pro rata basis where, for example: (i) consideration is given to an account with specialized investment policies that coincide with the particulars of a specific investment; (ii) pro rata allocation would result in odd-lot or de minimis amounts being allocated to a portfolio or other client; or (iii) where the adviser reasonably determines that departure from a pro rata allocation is advisable. While these aggregation and allocation policies could have a detrimental effect on the price or amount of the securities available to the Fund from time to time, it is the opinion of the Directors of the Fund that the benefits from the adviser's organization outweigh any disadvantage that may arise from exposure to simultaneous transactions.

Limitation on Liability. Each of the Current Management Agreement and the New Management Agreement states that the adviser shall exercise its best judgment in rendering the services in accordance with the terms of the agreement and that the adviser shall not be liable for any error of judgment or mistake of law or for any act or omission or any loss suffered by the Fund in connection with the matters to which the agreement relates. This limitation of liability applies to affiliates, partners, stockholders, directors, officers and employees of the adviser and its affiliates who may perform services for the Fund contemplated by both the Current Management Agreement and the New Management Agreement. Neither of the adviser nor any other such person is protected, however, from liability by reason of its willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of its reckless disregard of its obligations and duties under the Current Management Agreement and the New Management Agreement.

Term and Continuance. The Current Management Agreement has been in effect for an initial term of two years and for successive one-year periods subject to such continuance being approved annually in the manner required by the 1940 Act. If approved by stockholders prior to the completion of the Reorganization, the Fund's New Management Agreement will go into effect upon the completion of the Reorganization. and, unless terminated in accordance with its terms, will stay in effect for an initial two-year term. If not terminated, the New Management Agreement will continue in effect from year to year if such continuance is

specifically approved at least annually (a) by the Board, or (b) by a vote of a majority of the outstanding voting securities of the Fund, provided that in either event the continuance also is approved by a majority of the Directors who are not interested persons of a party to the New Management Agreement.

Termination. Each of the Current Management Agreement and the New Management Agreement (a) may terminated at any time, without penalty, by the Fund's Board of Directors, by vote of holders of a majority of the outstanding voting securities (as defined in the 1940 Act) of the Fund or by the adviser, upon sixty (60) days' written notice delivered to each party hereto, and (b) shall automatically be terminated in the event of its assignment (as defined in the 1940 Act).

Board Considerations Regarding Approval of the New Management Agreement

The Board has evaluated the Reorganization and the New Management Agreement for the Fund. In connection with their evaluation of the Reorganization and the New Management Agreement for the Fund, the Independent Directors requested such information as they deemed reasonably necessary, including: (a) the structure of the New Investment Adviser and the reasons for Reorganization; (b) the effect of the Reorganization on the ongoing services provided to the Fund; (c) the stability and continuity of the New Investment Adviser's management and key employees; (d) the post-Reorganization financial resources of the New Investment Adviser; (e) the nature, quality and extent of the services to be provided by New Investment Adviser; (f) the cost to the New Investment Adviser for providing such services, with special attention to the New Investment Adviser's potential profitability (and whether the New Investment Adviser may realize any economies of scale); (g) the direct and indirect benefits that may be received by the New Investment Adviser from its relationship with the Fund; and (h) comparative information as to the management fees, expense ratios and performance of other similarly situated closed-end investment companies.

The Independent Directors also requested and obtained the following information in connection with their evaluation of the New Investment Adviser and the New Management Agreement for the Fund: (i) memoranda provided by Fund counsel that summarized the legal standards and other considerations that are relevant to the Directors in their deliberations regarding the New Management Agreement; (ii) the qualifications of the investment management team for the Fund; (iii) the Fund's management fee and total expense ratio, the financial resources of the New Investment Adviser and the anticipated profitability analysis from the New Investment Adviser. In addition, the Independent Directors considered the information provided at regularly scheduled meetings throughout the year regarding the Fund's performance and risk attributes, including through meetings with investment management personnel, and took into account other information related to the Fund provided to the Independent Directors at regularly scheduled meetings. The Independent Directors also considered information they had received in their review of the continuance of the Current Management Agreement for the Fund in February 2019.

Nature, Extent and Quality of Services. The Independent Directors considered the nature, extent and quality of the services that had been provided by the Current Adviser to the Fund and that are expected to be provided by the New Investment Adviser to the Fund following the completion of the Reorganization. The Independent Directors reviewed the terms of the New Management Agreement, and noted that such terms are substantially identical to the terms of the Current Management Agreement, except for different execution and effective dates. The Independent Directors reviewed the New Investment Adviser's investment approach for the Fund and its research process and concluded that these would be unchanged from those of the Current Adviser. The Independent Directors considered the resources of the New Investment Adviser and the personnel of the New Investment Adviser who provide investment management services to the Fund noting that that the portfolio managers would remain unchanged. They also reviewed the non-investment resources and personnel of the New Investment Adviser that are involved in the New Investment Adviser's services to the Fund, including the New Investment Adviser's compliance and administration resources and personnel.

The Independent Directors considered that the New Investment Adviser will continue to supervise and monitor the performance of the Fund's service providers and will continue to provide the Fund with personnel (including Fund officers) and other resources that are necessary for the Fund's business management and operations. The Independent Directors also considered that the New Investment Adviser will continue to provide those investment management and research services and resources to the Fund following the completion of the Reorganization.

The Independent Directors considered that the Reorganization will not have a material adverse impact on the nature, scope and overall quality of services provided to the Fund and its stockholders, including investment management, risk management, administrative, compliance and other services.

Based on these considerations, the Independent Directors concluded that the nature, extent and quality of services that the New Investment Adviser will provide to the Fund under the New Management Agreement will be satisfactory and consistent with the terms of the Current Management Agreement.

Performance of the Fund. In considering the Fund’s anticipated performance under the New Management Agreement, the Independent Directors noted that they regularly reviewed and discussed throughout the year data prepared by the Current Adviser and information comparing the Fund’s performance with the performance of the S&P 500 Index. The Independent Directors also noted that they expect that the New Investment Adviser will continue to provide the same level of performance as the Current Adviser has provided the Fund in the past. The Independent Directors noted that the New Investment Adviser’s experience and expertise with respect to the Fund’s managed distribution program, the Fund’s historic premium to net asset value and the success of previously completed rights offerings were factors in their deliberations concerning the approval of the New Management Agreement. The Independent Directors also considered that the New Investment Advisor is in agreement with and committed to the ongoing distribution policy carried out by the Fund under the direction of the Board of Directors.

Management Fee and Expenses. The Independent Directors noted that the stated management fee to be paid by the Fund to the New Investment Adviser is identical under the Current Management Agreement and the New Management Agreement. The Independent Directors considered information showing the fees and expenses of the Fund in comparison to the management fees and expense ratios of its peer group of funds. To the extent applicable, the Independent Directors also considered the impact of transfer agency, custodian, fund accounting, fund administration, and other non-management fee expenses on the expense ratios of the Fund.

The Independent Directors concluded that the management fee to be paid by the Fund to the New Investment Adviser was not unreasonable in relation to the nature and quality of the services to be provided by the New Investment Adviser.

Profitability. The Independent Directors considered information provided by the New Investment Adviser regarding the anticipated profitability of the New Investment Adviser with respect to the advisory services to be provided by the New Investment Adviser to the Fund. The Independent Directors also considered the New Investment Adviser’s anticipated profit margin in connection with the overall operation of the Fund. The Independent Directors concluded that the New Investment Adviser’s anticipated profitability with respect to the management of the Fund would not be unreasonable or excessive.

Section 15(f) Considerations. The New Investment Adviser intends to rely, to the extent appropriate, on Section 15(f) of the 1940 Act, which provides a non-exclusive safe harbor whereby an investment adviser (such as the Current Adviser) to an investment company (such as the Fund) or an affiliate of such investment adviser may receive payment or benefit in connection with the sale of an interest in the investment adviser if two conditions are satisfied. The first condition of Section 15(f) is that during the three-year period following the Reorganization, at least 75% of the investment company’s board must not be “interested persons” (as defined in the 1940 Act) of the investment adviser or its predecessor. The Board of Directors currently meets this requirement as six of the seven the directors are independent and will continue to be independent for the period required. Second, no “unfair burden” can be imposed on the investment company as a result of the Reorganization. An “unfair burden” includes: any arrangement during the two-year period after the Reorganization where the investment adviser (or predecessor or successor adviser), or any of its “interested persons” (as defined in the 1940 Act), receives or is entitled to receive any compensation, directly or indirectly, (i) from any person in connection with the purchase or sale of securities or other property to, from or on behalf of the investment company (other than bona fide ordinary compensation as principal underwriter for the investment company), or (ii) from the investment company or its shareholders (other than fees for bona fide investment advisory or other services). The Independent Directors determined that there was no “unfair burden” imposed as a result of the Reorganization, and that they will ensure that this condition will continue to be satisfied for the required time period.

Conclusion. After consideration of the factors described above as well as other factors, the Directors, including the Independent Directors, concluded that the New Management Agreement for the Fund, including the management fees payable thereunder, was fair, not unreasonable and in the best interest of the Fund and its stockholders. The Directors, including the Independent Directors, voted to approve the New Management Agreement and to recommend that the stockholders approve the New Management Agreement.

Required Vote

To become effective with respect to the Fund, the New Management Agreement must be approved by a “1940 Act Majority Vote” of the outstanding voting securities of the Fund. A “1940 Act Majority Vote” of the outstanding voting securities of a Fund means the affirmative vote of the lesser of (a) 67% or more of the voting securities of the Fund that are present at the Meeting or represented by proxy if holders of shares representing more than 50% of the outstanding voting securities of the Fund are present or represented by proxy or (b) more than 50% of the outstanding voting securities of the Fund.

THE BOARD RECOMMENDS THAT YOU VOTE “FOR” THE PROPOSAL TO APPROVE THE NEW MANAGEMENT AGREEMENT WITH CORNERSTONE ADVISORS ASSET MANAGEMENT LLC.

THIS INVESTMENT MANAGEMENT AGREEMENT dated and effective as of [_____, 2019] between CORNERSTONE STRATEGIC VALUE FUND, INC., a Maryland corporation (herein referred to as the “Fund”), and CORNERSTONE ADVISORS ASSET MANAGEMENT LLC, a limited liability company duly organized under the laws of North Carolina (herein referred to as the “Investment Manager”).

1. APPOINTMENT OF INVESTMENT MANAGER. The Investment Manager hereby undertakes and agrees, upon the terms and conditions herein set forth, to provide overall investment management services for the Fund, and in connection therewith to (i) supervise the Fund’s investment program, including advising and consulting with the Fund’s Board of Directors regarding the Fund’s overall investment strategy; (ii) make, in consultation with the Fund’s Board of Directors, investment strategy decisions for the Fund; (iii) manage the investing and reinvesting of the Fund’s assets; (iv) place purchase and sale orders on behalf of the Fund; (v) advise the Fund with respect to all matters relating to the Fund’s use of leveraging techniques; (vi) provide or procure the provision of research and statistical data to the Fund in relation to investing and other matters within the scope of the investment objective and limitations of the Fund; (vii) monitor the performance of the Fund’s outside service providers, including the Fund’s administrator, transfer agent and custodian; (viii) be responsible for compliance by the Fund with U.S. federal, state and other applicable laws and regulations; and (ix) pay the salaries, fees and expenses of such of the Fund’s directors, officers or employees who are directors, officers or employees of the Investment Manager or any of its affiliates, except that the Fund will bear travel expenses or an appropriate portion thereof of directors and officers of the Fund who are directors, officers or employees of the Investment Manager, to the extent that such expenses relate to attendance at meetings of the Board of Directors or any committees thereof. The Investment Manager may delegate any of the foregoing responsibilities to a third party with the consent of the Board of Directors.

2. EXPENSES. In connection herewith, the Investment Manager agrees to maintain a staff within its organization to furnish the above services to the Fund. The Investment Manager shall bear all expenses arising out of its duties hereunder.

Except as provided in Section 1 hereof, the Fund shall be responsible for all of the Fund’s expenses and liabilities, including expenses for legal, accounting and auditing services; taxes and governmental fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses incurred in connection with listing the Fund’s shares on any stock exchange; costs of printing and distributing shareholder reports, proxy materials, prospectuses, stock certificates and distribution of dividends; charges of the Fund’s custodians and sub-custodians, administrators and sub-administrators, registrars, transfer agents, dividend disbursing agents and dividend reinvestment plan agents; payment for portfolio pricing services to a pricing agent, if any; registration and filing fees of the Securities and Exchange Commission; expenses of registering or qualifying securities of the Fund for sale in the various states; freight and other charges in connection with the shipment of the Fund’s portfolio securities; fees and expenses of non-interested directors or non-interested members of any advisory or investment board, committee or panel of the Fund; fees and expenses of any officers and interested directors of the Fund who are not affiliated with the Investment Manager, the Administrator or their respective affiliates; travel expenses or an appropriate portion thereof of directors and officers of the Fund, or members of any advisory or investment board, committee or panel of the Fund, to the extent that such expenses relate to attendance at meetings of the Board of Directors or any committee thereof, or of any such advisory or investment board, committee or panel; salaries of shareholder relations personnel; costs of shareholder meetings; insurance; interest; brokerage costs; and litigation and other extraordinary or non-recurring expenses.

3. TRANSACTIONS WITH AFFILIATES. The Investment Manager is authorized on behalf of the Fund, from time to time when deemed to be in the best interests of the Fund and to the extent permitted by applicable law, to purchase and/or sell securities in which the Investment Manager or any of its affiliates underwrites, deals in and/or makes a market and/or may perform or seek to perform investment banking services for issuers of such securities. The Investment Manager is further authorized, to the extent permitted by applicable law, to select brokers (including any brokers affiliated with the Investment Manager) for the execution of trades for the Fund.

4. BEST EXECUTION; RESEARCH SERVICES. The Investment Manager is authorized, for the purchase and sale of the Fund’s portfolio services, to employ such dealers and brokers as may, in the judgment of the Investment Manager, implement the policy of the Fund to obtain the best results taking into account such factors as price, including dealer spread, the size, type and difficulty of the transaction involved, the firm’s general execution and operational facilities and the firm’s risk in positioning

the securities involved. Consistent with this policy, the Investment Manager is authorized to direct the execution of the Fund's portfolio transactions to dealers and brokers furnishing statistical information or research deemed by the Investment Manager to be useful or valuable to the performance of its investment advisory functions for the Fund.

It is understood that in these circumstances, as contemplated by Section 28(e) of the Securities Exchange Act of 1934, the commissions paid may be higher than those that the Fund might otherwise have paid to another broker if those services had not been provided. Information so received will be in addition to and not in lieu of the services required to be performed by the Investment Manager. It is understood that the expenses of the Investment Manager will not necessarily be reduced as a result of the receipt of such information or research. Research services furnished to the Investment Manager by brokers who effect securities transactions for the Fund may be used by the Investment Manager in servicing other investment companies and accounts that it manages.

Similarly, research services furnished to the Investment Manager by brokers who effect securities transactions for other investment companies and accounts that the Investment Manager manages may be used by the Investment Manager in servicing the Fund. It is understood that not all of these research services are used by the Investment Manager in managing any particular account, including the Fund.

5. REMUNERATION. In consideration of the services to be rendered by the Investment Manager under this Agreement, the Fund shall pay the Investment Manager a monthly fee in United States dollars for the previous month at an annual rate of one (1.00%) percent of the Fund's average weekly net assets. If the fee payable to the Investment Manager pursuant to this paragraph 5 begins to accrue before the end of any month or if this Agreement terminates before the end of any month, the fee for the period from such date to the end of such month or from the beginning of such month to the date of termination, as the case may be, shall be prorated according to the proportion which such period bears to the full month in which such effectiveness or termination occurs. For purposes of calculating each such monthly fee, the value of the Fund's net assets shall be computed at the time and in the manner specified in the Registration Statement.

6. REPRESENTATIONS AND WARRANTIES. The Investment Manager represents and warrants that it is duly registered and authorized as an investment adviser under the Investment Advisers Act of 1940, as amended, and the Investment Manager agrees to maintain effective all requisite registrations, authorizations and licenses, as the case may be, until the termination of this Agreement.

7. SERVICES NOT DEEMED EXCLUSIVE. The services provided hereunder by the Investment Manager are not to be deemed exclusive and the Investment Manager and any of its affiliates or related persons are free to render similar services to other and to use the research developed in connection with this Agreement for other clients or affiliates. Nothing herein shall be construed as constituting the Investment Manager an agent of the Fund.

8. LIMIT OF LIABILITY. The Investment Manager shall exercise its best judgment in rendering the services in accordance with the terms of this Agreement. The Investment Manager shall not be liable for any error of judgment or mistake of law or for any act or omission or any loss suffered by the Fund in connection with the matters to which this Agreement relates, provided that nothing herein shall be deemed to protect or purport to protect the Investment Manager against any liability to the Fund or its shareholders to which the Investment Manager would otherwise be subject by reason of willful misfeasance, bad faith or gross negligence on its part in the performance of its duties or from reckless disregard by it of its obligations and duties under this Agreement ("disabling conduct"). The Fund will indemnify the Investment Manager against, and hold it harmless from, any and all losses, claims, damages, liabilities or expenses (including reasonable counsel fees and expenses), including any amounts paid in satisfaction of judgments, in compromise or as fines or penalties, not resulting from disabling conduct by the Investment Manager. Indemnification shall be made only following: (i) a final decision on the merits by a court or other body before whom the proceeding was brought that the Investment Manager was not liable by reason of disabling conduct, or (ii) in the absence of such a decision, a reasonable determination, based upon a review of the facts, that the Investment Manager was not liable by reason of disabling conduct by (a) the vote of a majority of a quorum of directors of the Fund who are neither "interested persons" of the Fund nor parties to the proceeding ("disinterested non-party directors"), or (b) an independent legal counsel in a written opinion. The Investment Manager shall be entitled to advances from the Fund for payment of the reasonable expenses (including reasonable counsel fees and expenses) incurred by it in connection with the matter as to which it is seeking indemnification in the manner and to the fullest extent permissible under law.

Prior to any such advance, the Investment Manager shall provide to the Fund a written affirmation of its good faith belief that the standard conduct necessary for indemnification by the Fund has been met and a written undertaking to repay any such advance if it should ultimately be determined that the standard of conduct has not been met. In addition, at least one of the following additional conditions shall be met: (a) the Investment Manager shall provide a security in form and amount acceptable to the Fund for its undertaking; (b) the Fund is insured against losses arising by reason of the advance; or (c) a majority of a quorum of disinterested non-party directors, or independent legal counsel, in a written opinion, shall have determined, based on a review of facts readily available to the Fund at the time the advance is proposed to be made, that there is reason to believe that the Investment Manager will ultimately be found to be entitled to indemnification.

9. DURATION AND TERMINATION. This Agreement shall have an initial term beginning [_____, 2019] and ending [_____, 2021], and then shall continue in effect thereafter for successive annual periods, but only so long as such continuance is specifically approved at least annually by the affirmative vote of (i) a majority of the members of the Fund's Board of Directors who are not parties to this Agreement or "interested persons" (as defined in the Investment Company Act of 1940 (the "1940 Act")) of any such party, cast in person at a meeting called for the purpose of voting on such approval, and (ii) the Fund's Board of Directors or the holders of a majority of the outstanding voting securities (as defined in the 1940 Act) of the Fund.

Notwithstanding the above, this Agreement (a) may nevertheless be terminated at any time, without penalty, by the Fund's Board of Directors, by vote of holders of a majority of the outstanding voting securities (as defined in the 1940 Act) of the Fund or by the Investment Manager, upon sixty (60) days' written notice delivered to each party hereto, and (b) shall automatically be terminated in the event of its assignment (as defined in the 1940 Act). Any such notice shall be deemed given when received by the addressee.

10. GOVERNING LAW. This Agreement shall be governed, construed and interpreted in accordance with the laws of the State of New York, provided, however, that nothing herein shall be construed as being inconsistent with the 1940 Act.
